STANDARD FORM NO. 64

Office Memorandum · UNITED STATES GOVERNMENT

DATE: 3/8/46

TO : PE/JKP

FROM : JA/HB

SUBJECT : Sovereignty of Formosa

I don't see how we can continue to claim, as does Secty Byrnes, that the final transfer of the Kuriles & So. Sakhalin will take place when the treaty is signed, if we adopt par. 1(c) in the offending. Such a statement is all the Soviets need and no one will have to bother with a peace treaty.
