To the
Hon. Gen. Legendre.
Sir

I have the honor to bring to your notice that I have received an information from our government of Tokei, to the effect that John. A. Bingham U. S. Minister at Tokei, has sent a letter dated the 19th April 1874. for our government stating that, by his having a different opinion, our government would detain Gen. Legendre, Lieut-Commandre Cassel and Mr. Wasson, who are now going to the island of Formosa for the commission from Japan to that island, and beg to state that the three letters were sent by said Minister addressed for you and Mess. Cassel and Wasson, one of which, addressed to you, I have recided

In conclution I have now to place before you the above circumstances by enclosing a letter of 19th april 1874 sent by the U. S. Minister and hope that you will please communicate the same with mess. Cassel and Wasson.
