The Chinese Ambassador presents his compliments to His Majesty's Principal Secretary of State for Foreign Affairs and on instructions from the Chinese Government has the honour to invite the attention of His Majesty's Government to the question of nationality of the Formosians.

2. The Chinese Consul-General in Rangoon has recently reported to the Ministry of Foreign Affairs, Nanking, that the Government of Burma holds the view that, pending the conclusion of the Peace Treaty with Japan, the sovereignty of enemy territory remains unaltered and the status of Formosians should, therefore, be regarded as still possessing enemy character. The Authorities in Singapore and His Majesty's Minister in Siam have, the report continues, expressed the same views.

3. It may be recalled that, in the Cairo Statement of the 1st December, 1943, His Majesty's Government, in concert with the Government of the U.S.A. and the Government of China, formally declared that Formosa and all other territories which Japan had stolen from the Chinese be restored to China, and that this Statement was reaffirmed by the Potsdam Proclamation of the 26th July, 1945, which further declared that the Japanese sovereignty be limited to the islands of Honshu, Hokkaido, Kyushu, Shikoku and such minor islands as the Allies determined. Now that Formosa has been restored to the sovereignty of China and is under the administration of the Chinese Government, the Formosians have, ipso facto, re-acquired their Chinese nationality.

4. The Chinese Ambassador will, therefore, much appreciate it if His Majesty's Government will, in view of the foregoing, be good enough to issue the necessary instructions to His Majesty's Minister in Siam and all other Authorities concerned, so that there will be no misunderstanding as to the nationality of the Formosians.

CHINESE EMBASSY,

London W.I.

31st August, 1946.
