1	Chief of Staff	The following extract is from a report of the Chief of Police N.R.P. Wakayama N.R.P. In regard to a smuggling and illegal entry case to be tried in Provost Court. * * * * * * * Statement of Kaku Haku Rin. Formosa. Since the withdrawal of Nationalist Army from Shanghai, many soldiers are stationed from keelung to Takao. It is said that the number is 4000000, but actually there about two million soldiers. Chaing KaiShek seems to staying at Kakubanzan of Shinchiku Province, where is in the mountain and very beautiful district with many villas. Soldiers are staying at public school buildings. School pupils are using the portion of school buildings in shifts without summer vacation. Soldiers are entering to offices and lying there when they found any space, and asking for tea. Demanding food at private houses. It is very dangerous for a woman to walk alone at night, there is an occurrance of rape. Soldiers are undernorishment, officers are in pleasure-

		seeking. Officers are demanding materials and money more than fixed amount, and seems that officers retaining for their own. At an inspection of the superior officer, a soldier hires a coolie to take his place. It is said also that an aeroplane goes and comes back between China and Formosa to import materials to Formosa. There is an air base in Shinchiku Province, but aeroplanes are bound with chains. There are quite many jobless persons in the Province of Formosa. Wealthy people from Shanghai district came and living in luxury. Price of eggs and meat became higher. One egg ¥94.00, pork 1 lb. ¥160,000.00. The rate of exchange at present is ¥250,000.00 for $1.00 (US), and persons living in the country do not know how to spend their money. A party of eight persons will cost around ten million yen, and even a less expensive party will cost three to four million yen. One "to" (10 lbs.) of rice cost about 160,000.00 yen. Income of labourers are very high, longshoremen are getting about ¥300,000.00 a day. Income of a farmhand is about ¥50,000.00 with board, a factory employee is getting about ¥600,000.00 per month, and he cannot buy rice with his income. The cost of commodities went up about 7 times within a day, and general public see
