SECRET

Addressed to Tokyo telegram No. 1436 of 14th December, Repeated for information to Washington.

Your telegrams Nos. 1767 to 1769 [of 14th December: Japanese relations with Formosa].

I approve your language to Mr. Dulles. I am now considering instructions to Sir Oliver Franks to take this matter up with Mr. Acheson and these will be repeated to you. I am sorry that it will not be possible for them to reach you before Mr. Dulles' departure for Korea but I have no objection to you saying to him that I have endorsed the views you have expressed to him and that I am considering asking Sir Oliver Franks to take the matter up in Washington.
