Addressed to Foreign Office telegram No. 1819 of 21st December
Repeated for information to Washington.

My telegram No. 1797 FE10271/246 FJ10310/45

Dulles, who left yesterday, has sent me a letter thanking me for my hospitality and for what I said about him in my speech. He concludes "I am sorry that we did not have a chance to carry our talks to a conclusion but I have no doubt that our Governments will find ways to preserve the common front which is so important as we face external threats."

2. The general impression seems to prevail here that nothing concrete has emerged about China during Dulles's visit and that the Japanese Government have not committed themselves in any way. Some publicity has been given to reports that the United Kingdom were concerned to learn from Tokyo that Dulles was supposed to be putting pressure on the Japanese. Dulles himself, however, seems to have said all the right things on his departure.

3. Foreign Office please pass to Washington as my telegram No. 114.
