Dear Department,

The Japanese Foreign Minister, Mr. OKAZAKI, is reported to have told the Foreign Affairs Committee of the House of Representatives on May 23rd that Japan does not recognize the territorial rights of Nationalist China over Formosa and the Pescadores. He added, however, that the Japanese Government recognizes the fact that the Nationalist Government at present dominates these territories.

2. We are sending a copy of this letter to Tamsui.

Yours ever,

CHANCERY.
