JUN 28 1951

My dear Mr. Secretary:

I have your letter of June 26 with reference to the draft Japanese Peace Treaty. I concur in your understanding that so far as the views of Mr. Dulles and the Department of State are concerned there will be no difficulty about the recommendations of the Joint Chiefs of Staff except in relation to Paragraph 10, and the contemplated cross reference to it in Article 1. This deals with the question of timing of the coming into force of the Treaty as between the Allied Forces and Japan.

On this point I have prepared a memorandum for the President, a copy of which is enclosed, in line with your suggestion, in which I wholly concur, that this matter is of sufficient importance that the point of view of the Joint Chiefs of Staff should be brought to the attention of the President at the earliest possible date.

I confirm that China will not be permitted to sign this Treaty.

Sincerely yours,

DEAN ACHESON
